

Proliance Surgeons has partnered with Datavant (fka CIOX) to provide release of information services. The Centralized Release of Information department has closed as of end of business October 4, 2024.

- Datavant will provide **medical records and billing statements**.
- **Imaging requests** send directly to the appropriate clinic. See the Find a Location page at www.ProlianceSurgeons.com for contact information.
- **Balance verifications** send to contactbilling@proliancesurgeons.com

Submit your medical records and billing statement requests directly to Datavant using the following fax numbers or Site IDs:

Contact Datavant Customer Service for status – **800-367-1500**
