Financial Policy

Proliance Hand, Wrist & Elbow Physicians, a division of Proliance Surgeons is committed to providing you with the highest quality medical care. Our credit and collection policy is in place to retain financial resources and maintain excellent health care for our patients and community.

Patient Responsibilities:

You help ensure an efficient experience by assisting with the following:

- Providing us with your photo identification, insurance card and Social Security number to enable us to submit your claims timely and accurately
- Knowing your insurance benefits and limitations and ensuring there is an authorization for our providers to treat you if it is required by your insurance, including obtaining a referral
- Providing us with copies of any pertinent medical records, including tests (MRI/CT/Arthrogram) and x-rays
- Paying your portion of the charges and any additional amount owed when due
- Completing required incident/accident forms within 30 days of date of service
- Maintaining a current account with Proliance Surgeons at all times
- Providing us with at least a 24-hour advanced notice should you need to cancel or reschedule an appointment. We may charge a fee for missed appointments that is not covered by insurance.

Insured Patients:

We will bill your primary and secondary insurance carrier in a timely manner. If you are disputing payment with your insurance carrier or have a balance over \$100.00 with us, you must notify our business office and make payment arrangements.

- **Co-Pays/Deductibles/Co-Insurance** – Copays are due at the time of service. Co-payments, co-insurance and deductibles are a contractual agreement between you and your insurance carrier. We cannot change or negotiate these amounts.
- **Surgery** – If surgery is indicated, a pre-payment to the utilized surgery center may be required for facility fees for elective, non-emergent procedures prior to the surgery being performed. Your out-of-pocket cost is estimated based on your benefits and our fees. Anesthesia and other providers are separate fees.
- **Non-Participating Insurance** – If we do not participate in the insurance you have, we will file a claim as a courtesy. All unpaid claims will become your responsibility 45 days following filing and be immediately due and payable.

Private-Pay/Uninsured Patients:

Office/Provider's Fees: – When visits and services are paid in full at the time of service, we offer a 20% discount (see exclusions below). Office procedures (e.g., casting, scopes, tests, x-rays) will be billed separately from the office visit. Private pay patients who receive retroactive Medicaid coverage need to immediately notify our business office. Any private payments made will be refunded once all visits have been processed by insurance.

*Exclusions: The discounts referenced above do not apply in cases of cosmetic procedures, motor vehicle accidents, third party insurance claims or in other cases when the patient may be reimbursed in full.

Workers' Compensation Patients:

If your visit is work-related, we will need the case number and carrier name prior to your visit in order to bill the workers' compensation insurance carrier.

Financial Policy – cont.

Motor Vehicle Accidents (MVA) Insured and Third Party Patients:

We will need the claim number, carrier name and claim manager contact information prior to your visit in order to bill the MVA/Third Party insurance carrier. We will bill the insurance carrier one time. The bill becomes your responsibility if not paid by the carrier within 30 days. We regret that we are not in a position to confer with attorneys or defer payment obligations while a case settles. If your personal injury protection benefit on your MVA policy is exhausted, we will bill your private insurance at your request provided we are furnished with the necessary information for the date of service.

Payment:

- **Payment Options** – We accept checks, major credit/debit cards and money orders for payment (no post-dated or third party checks). We charge a \$40.00 NSF fee for any returned checks.
- **Delinquent Accounts** – We charge 5% interest accruing monthly on balances over 45 days old. We may assign an account to collections if balances are unpaid after 120 days. Patients assigned to collections may be denied additional service.
- **Alternative Payment Arrangements** – If you are unable to pay your balance when due, please contact our business office to make alternative arrangements. Any patient with a past due amount may be denied additional service until the amount is paid or the patient is complying with an alternative payment arrangement.
- **Bankruptcy/Prior Bad Debt/Collections** – Patients who have previously filed for bankruptcy or never satisfied their payment obligations for prior episodes of care with Proliance Hand, Wrist & Elbow Physicians or other Proliance Surgeons care centers may be required to pay for their portion of new charges at the time of service in addition to any outstanding collection balances.

Short Form Notice of Privacy Practices - Acknowledgement
